Important information

You will explore further the important subject of e-safety. Creating a cyber-safety rainbow, you will understand key areas, such as:

- The meaning of staying safe online
- The importance of keeping personal information and passwords safe
- How dangerous it can be to meet people online
- How to find safe and reliable information
- Who can help you
- How to enjoy the internet safely
- How to enjoy safely all the fantastic opportunities the internet has to offer

	Computing –E-Safety and Digital Citizenship Year Two	By the end of this unit you will be responsible, competent, confident and creative users of information and communication technology. You will use technology safely and respectfully, keeping personal information private, and know where to go for help if you are worried about anything online.

	Lesson Question	What you will learn	Learning Review
1	What opportunities does the internet offer us and how can we make sure they are all positive experiences?	You will explore and try out various uses of the online world, identify things you like to do online, and construct rules that help you use the online world positively and responsibly.	
2	What is worth trusting online?	You will understand the dangers of 'meeting' people online, who to trust and who not to trust. You will learn some basic features of a reliable and unreliable website and carry out a safe search online. Learn about pop-ups.	
3	When should we or should we not share personal information?	You will learn when sharing personal information is and is not safe. You will pick out information that is safe to share and that which is not. You will also learn the importance of keeping passwords safe.	
4	Who can help?	You will learn how to recognise when something isn't right online and suggest when someone may need to tell an adult about something online.	
5	What is a safe and unsafe decision?	You will understand what is meant by a safe and unsafe decision online, use your knowledge to discuss a range of scenarios and offer advice then compose a song!
