Cumberland School Attendance Pledge

1. Making sure children/young people regularly attend school is the responsibility of everyone.
2. We are committed to working together to improve school attendance for children/young people across Cumberland.
3. We understand that attending school is crucial for everyone, and when students are absent, it could signal important safety concerns we need to address, particularly if they are a child missing education.
4. Barriers to school attendance can be complicated and come from a number of reasons within families, communities, and environments. We are committed to breaking down these barriers.
5. We will collaborate with each other to remove barriers to attendance. Parents and caregivers play a crucial role in this partnership.
6. We strongly support and promote excellent attendance and role-model this.
7. If we notice that children/young people are not in school during school hours, we will be professionally curious and query the reasons behind their absence.

Each partner has an important and distinct role in supporting the child or family, no one partner can do it on their own.
